Project Architect

Mackey Mitchell Architects, P.C.

We're seeking talented project architects with 5-10 years of experience to join our design firm in St. Louis. At MMA, we believe in the strength of a diverse and passionate team. Every person in our firm brings a unique perspective that enriches our culture and our work.

From spaces for living, learning, dining, to entertainment, MMA is dedicated to creating environments that Shelter, Shape, and Inspire. Our employee benefits are modeled around the same three ideals.

Shelter – *building your life* – We are committed to providing our employees with the salary, benefits, and support they need to live the life they desire. We strive to create a culture where our most valuable asset, our people, come first from generous paid time off to our flexible schedules that support a work-life balance. Creating a family-friendly environment is the at the bedrock of our culture.

Shape – *building your career* – We work diligently to help you discover and achieve the evidence and legacy of your career. We believe in life-long learning and strive to support that pursuit. We offer mentoring and guidance through IDP, ARE study materials, reimbursement for exams, professional dues, and in-house education. We also encourage involvement in local community based and civic organizations that not only enhance your professional career, but that help impact your surroundings.

Inspire – *reaching your potential* – At MMA, it is not enough to discover and master skills or capitalize on your individual strengths. The key is that you are using these strengths in a way that you find rewarding. We offer multiple opportunities to grow professionally as well as grow in fellowship with each other and personal wellness.

Education and Professional Experience:

- Bachelor or Masters degree in Architecture.
- 5-10 years of work experience in the profession.
- Licensed Architect or on the path to licensure.
- Proficient in Revit.
- Must be proficient in Microsoft Office (i.e. Excel, Outlook, Word). Familiarity with Adobe suite desired.
- Able to prioritize and perform a broad range of simultaneous duties.
- Excellent organizational skills and attention to detail. Team oriented.
- Strong verbal and written communication skills.
- United States Work Authorization required.
