

Project Architect

Mackey Mitchell Architects, P.C.

We're seeking an experienced Project Architect to join our design firm. At MMA, we believe in the strength of a diverse and passionate team. Every person in our firm brings a unique perspective that enriches our culture and our work. The ideal candidate will be knowledgeable in all aspects of building systems and able to successfully facilitate and execute design and documentation advancement through all phases of project development. Careful attention to detail and excellent communication skills are a must. The position is available for any of our office locations (St. Louis, MO; Dallas, TX; Lawrence, KS; Asheville, NC).

From spaces for living, learning, dining, to entertainment, MMA is dedicated to creating environments that Shelter, Shape, and Inspire. We model our employee benefits around the same three ideals.

Shelter – building your life – We are committed to providing our employees with the salary, benefits, and support they need to live the life they desire. We strive to create a culture where our people come first, from generous paid time off to our flexible schedules that support a work-life balance. Creating a family-friendly environment is at the bedrock of our culture.

Shape –building your career – We work diligently to help you discover and achieve the evidence and legacy of your career. We believe in life-long learning and strive to support that pursuit. We offer mentoring and guidance through IDP, ARE study materials, reimbursement for exams, professional dues, and in-house education, and a growth fund for professional development. We also encourage involvement in local community based and civic organizations that not only enhance your professional development but that help impact your surroundings.

Inspire – reaching your potential – At MMA, it is not enough to discover and master skills or capitalize on your strengths. The key is that you are using these strengths in a way that you find rewarding. We offer multiple opportunities to grow professionally as well as grow in fellowship with each other and personal wellness. At MMA, we invest in your growth. Our Principals conduct quarterly goals discussions with individual employees to assist employees on their career path.

We are looking for candidates who:

- Ensure compliance with applicable codes and ADA requirements.
- Balance multiple projects simultaneously.
- Maintain a high level of performance and positive outlook in a fast-paced environment.
- Exhibit exceptional standards for quality and strong attention to detail.
- Can travel periodically to various project sites across the United States.
- Have excellent verbal and written communication skills.
- Are motivated team players with the ability to lead and mentor others.
- Have a depth and breadth of understanding of materials, detailing, and construction.

Education and Professional Experience:

- Professional accredited architectural degree.
- Licensed Architect.
- Proficient in Revit and Microsoft Office apps; experience in Bluebeam Revu and Adobe CC apps a plus.
- Experience working with higher education clients is a plus.
