Architectural Project Designer

Mackey Mitchell Architects, P.C.

We are looking for talented and experienced architectural designers to join our team at MMA. We believe in the strength of a diverse and passionate team and are committed to fostering an inclusive environment where everyone's voice is heard and valued. The position is available for any of our office locations (St. Louis, MO; Dallas, TX; Asheville, NC).

Key Responsibilities:

- Ability to work collaboratively as an integral member of a team at all stages of the design process.
- Demonstrate a passion for conceptual and detail design exploration and iteration.
- Possess excellent graphic communication skills including rendering, diagramming, creation of design presentations and visual assets.
- Research and integrate sustainable design solutions into projects.
- Exhibit exceptional standards for quality, time management, and strong attention to detail.

Education and Professional Experience:

- Professional accredited architectural degree.
- A minimum of 3 years of full-time professional experience as an Architectural Project Designer is preferred.
- Proficiency in Revit, Sketchup, Adobe CC Suite, Lumion and/or Enscape. Experience with Rhino, Grasshopper, and COVE tool is beneficial.
- United States Work Authorization required.

Benefits:

We offer a comprehensive benefits package to ensure the well-being of our employees and their families, including health and disability insurance, paid parental leave, wellness reimbursements, mentorship and coaching, flexible work schedules, volunteer time, and more. We also support your professional journey by providing study materials, paying for testing, as well as reimbursement for professional memberships.

About Us:
