

Project Architect

Mackey Mitchell Architects, P.C. | St. Louis, MO, Dallas, TX, Asheville, NC

Are you looking for an opportunity to influence the built environment and enhance communities through architecture? If so, Mackey Mitchell might be the perfect fit for you! We are a nationally recognized architecture firm dedicated to providing innovative and thoughtful design solutions. Although our roots are in St. Louis, our reach extends far beyond, with offices in North Carolina and Texas. We offer a wide range of design and architectural services. At Mackey Mitchell, we support career development and promote lifelong learning for all our team members. We are seeking talented project architects with at least 5 years of experience.

We are looking for candidates who:

- Will collaborate with the project leadership to be an integral part of the project team.
- Ability to organize and assemble document sets.
- Knowledge of building codes and guidelines.
- Have excellent verbal and written communication skills.
- Maintain high performance in a fast-paced environment.
- Are motivated team players and collaborators.
- Exhibit exceptional standards for quality, strong attention to detail, and critical thinking.

Education and Professional Experience:

- Licensed Architect or on path to licensure.
- A minimum of 5 years of architectural work experience
- Proficient in Revit, drafting, modeling, and Microsoft Office apps; experience in Adobe CC Suite and Bluebeam review is a plus.
- Experience working with higher education clients is a plus.
- United States Work Authorization required.

We offer a comprehensive benefits package to ensure the well-being of our employees and their families, including health and disability insurance, paid parental leave, wellness reimbursements, mentorship and coaching, flexible work schedules, volunteer time, and more. We also support your professional journey by providing study materials, paying for testing, and reimbursement for professional memberships.

If you share our passion for design and want to be a part of a team that believes in shaping the inspired, then we encourage you to apply for our open positions.
